

# THE INSIDE PITCH

Spring 2022

## Message from our President

In 2021 we were happy to experience a substantial increase in player registration that help bring kids back to the game of baseball. As we bounce back from the COVID-19 impact, we will continue to work hard to help introduce more players to the game, as well as provide a safe and fun-filled experience for our players and their families.

## Team Sponsors!

We are currently seeking sponsors for our 2022 season. Besides providing financial support to our program, sponsorship shows your commitment to our community. Your support will make it possible for children to do more than just develop their baseball and softball skills - they will also make friendships and memories that will last a lifetime.

To sponsor a team, please fill out an application at [www.westdenisonbaseball.org](http://www.westdenisonbaseball.org). We thank you for your consideration and continued support.

## Managers & Coaches!

We are currently recruiting Managers & Coaches (especially T-Ball ages 4-6) for the upcoming 2022 season. Consider this an opportunity to spend extra quality time with your child in a safe, fun-filled environment that teaches and develops them with real-life skills along with embracing a love for the game.
